WHEREAS, Valley Financing, LLC (hereinafter called "Developer"), has established a residential real estate subdivision in Gillespie County, Texas known as Reservation Ranch Subdivision (hereinafter "Subdivision"), consisting of the land platted as Reservation Ranch, platted at Volume 6, Page 114-115, Official Public Records of Gillespie County, Texas.

WHEREAS, Developer has established the Subdivision by carrying out a general uniform plan of development and improvement for the Reservation Ranch Subdivision to insure and maintain its suitability for private and residential purposes, to protect and benefit each and every purchaser, owner or grantee of herein and enhance the value of the land located in said Subdivision,

NOW, THEREFORE, the Subdivision is subject to the following covenants, conditions and restrictions, as described further herein, to-wit:

1. Covenants Running with the Land. Except as otherwise stated herein, all of these Restrictions shall apply to all Lots in the Subdivision. These restrictions and covenants shall run with the land and shall be fully binding upon all persons acquiring property in said Subdivision whether by descent, devise, purchase, assignment, contract or otherwise, and any person by the acceptance of any tract or parcel of land or entering into a contract for the purchase of the same shall thereby agree and covenant to abide by, and fully perform all the foregoing restrictions, covenants, and conditions. These covenants shall be binding for a period of twenty years from the date they are filed for recording in the Official Public Records of Gillespie County, Texas, unless changed or amended as provided herein. Said covenants shall be automatically extended upon the expiration of said term for three successive periods of ten years each. The record owners of legal title of sixty-seven percent of the votes of the Lots as shown by the Official Public Records of Gillespie County, Texas, may amend or change the said covenants in the whole or part at any time. Any change or amendment shall be set forth and evidenced by a successor instrument bearing the signatures of the requisite number of record owners and recording of the same in the office of the County Clerk of Gillespie County, Texas. Until the Developer has sold the last Lot in the Subdivision, Developer may also unilaterally amend these covenants by filing a written instrument in the Official Public Records of Real Property of Gillespie County, Texas.

2. Definitions. The following words shall have the following meanings in construing the restrictions, covenants, and conditions:

A. Architectural Control Committee and /or ACC - shall mean and refer to the Reservation Ranch Property Owners Association Architectural Control Committee, appointed to review and approve or disapprove plans for construction of improvements.

B. Association – shall mean and refer to Reservation Ranch Property Owners Association, a Texas unincorporated non-profit association.

C. Developer – shall mean and refer to Valley Financing, LLC, its successors and assigns.

D. Lot - shall mean and refer to the lot, acreage of land conveyed or contracted for by the purchaser, purchaser's executor, beneficiaries or assigns.

E. Member – shall mean and refer to each Owner

F. Owner – shall mean and refer to the record owner(s) of a Lot.

3. Permitted Use of Lots. No Lot or improvements erected thereon shall be used for any purpose other than a private family residence with usual and customary accessory buildings, such as, but not limited to garages, well houses, and storage sheds. No Lot, or improvement thereon, shall be used for any commercial purpose, except that nothing herein shall be construed to prevent a Lot Owner from telecommuting so long as such use does not result in the Lot having any appearance of a commercial or non-residential use. Leasing of Lots is allowable, provided that the minimum duration of any lease must be at least six months.

4. Architectural Control. There is hereby established an Architectural Control Committee for architectural review. No building may be built, altered, or moved onto on any Lot without the prior written approval of the Architectural Control Committee. The Architectural Control Committee shall determine if the plans and specifications for any structure on any Lot meet the requirements of these restrictions and determine if the appearance, design, and quality of the workmanship and materials are in harmony with the purposed scheme or plan of development of the Subdivision. Plans and specifications shall, as a minimum, describe the building to be placed or constructed as well as the materials to be used on the exteriors. The initial Architectural Control Committee shall consist of members who shall be appointed, removed and replaced by Developer. The last sale of the last Lot owned by Developer shall automatically constitute an assignment to the Owners of the Lots of Developer's right to determine the composition of the Architectural Control Committee, and after that time, or after such earlier time as Developer may elect in writing to surrender its rights with respect to the Committee membership, the Owners may elect, remove and replace the members of the Architectural Control Committee by majority vote of those voting a meeting at which a quorum is present. Elected members of the Architectural Control Committee shall each serve a term of three years.

5. Construction of Buildings and Other Structures and Underground Storage. No unpainted structure shall be placed on any Lot for use as an accessory building, unless screened from view by vegetation. No tower of any kind, including without limitation, radio, microwave, cellular telephone and television towers, shall be erected, maintained or permitted on any Lot. No underground storage tanks for the storage of gasoline, diesel fuel, oil or any other petroleum product or any other hazardous substance, shall be permitted upon any Lot.

6. Property Owners Association and Assessments.

6.01 There is hereby created an association of property owners of the lots in the Subdivision, which is established as a Texas unincorporated non-profit association. All Owners shall be mandatory Members of the Association, the governance and affairs of which shall be as set forth

in the Bylaws. Conveyance of ownership in a Lot automatically terminates a person's membership in the Association to the extent based on ownership of that Lot.

6.02 **Creation of Lien and Personal Obligation of Assessments.** Declarant, for each Lot conveyed by it within the Properties, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in any such deed or other conveyance, shall be deemed to covenant and agree to pay to the Association: (1) Annual Assessments or charges, (2) Special Assessments for capital improvements or extraordinary expenses, and (3) Capital Contribution Assessments, such assessments to be fixed, established, and collected from time to time as hereinafter provided. The Annual, Special and Capital Contribution Assessments, together with such interest thereon and costs of collection thereof as are hereinafter provided, shall be a charge on the land and shall be a continuing lien upon the Lot against which each such assessment is made, as well as the personal obligation of the person who was the Owner of such Lot at the time the obligation accrued.

6.03 **Purpose of Assessments.** The assessments levied by the Association shall be used for the purpose of promoting recreation, health, safety and welfare of the Members, preserving or enforcing the rights and obligations of the Owners and the Association, or for the improvement, maintenance and operation of the Properties, services and facilities devoted to this purpose and related to the use and enjoyment of the Properties by the Members. This Section shall not limit the Board of Directors of the Association in its discretionary authority as to spending.

6.04 **Basis of Annual Assessment.** The Annual Assessment shall be determined by the Board of Directors in the manner provided for herein after determination of current and prospective maintenance costs and repairs and anticipated needs of the Association. The annual assessment for fiscal year 2021 shall be \$500.00 per Lot. Any Lot purchased from Declarant shall be subject to a prorated assessment due at closing in an amount equal to the annual assessment multiplied by the percentage of the fiscal year remaining from the date of purchase to the end of that year.

6.05 **Special Assessments.** In addition to the Annual Assessments provided for above, the Association may levy, in any assessment year, a Special Assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement on or which is a part of the Common Facilities, or to finance or defray the cost of any extraordinary expense of the Association, provided that any such assessment shall have the assent of two-thirds of the votes of the Members at a meeting at which at least majority of the votes of the Members of the Association is present or represented.

6.06 **Change in Basis and Maximum of Annual Assessments.** For all Annual Assessments accruing after January 1, 2022, the maximum Annual Assessment may be adjusted by majority vote of the Board of Directors but shall not be increased by more than ten percent above that of the previous year without a vote of the membership. Any increase in the maximum annual assessment of more than ten percent above that of the previous year shall require approval of two-thirds vote of the Members provided that any such assessment shall have the assent of two-thirds of the votes of the Members at a meeting at which at least majority of the votes of the Members of the Association is present or represented.

6.07 Date of Commencement of Annual Assessments. The Annual Assessments provided for herein shall commence as to all Lots as of the date established by the Board. The due date of any special assessment shall be fixed in the resolution authorizing such assessment.

6.08 Duties of the Board of Directors. In December of each year, the Board of Directors of the Association shall fix the amount of the Annual Assessment against each Lot for the following year. Written notice of the assessment shall thereupon be sent to every Owner subject thereto. The Association shall upon demand at any time furnish to any Owner liable for said assessment, a certificate in writing signed by an officer or authorized representative of the Association, setting forth whether said assessment has been paid or the balance due. Such certificate, when signed by an authorized officer or agent of the Association, shall be conclusive evidence of payment of any assessment herein stated to have been paid. The Association may charge a reasonable fee for issuing such a certificate.

6.09 Capital Contribution Assessment. In addition to the Annual Assessments provided for in Section 6.04 and the Special Assessments provided for in Section 6.05, there is hereby created an assessment in the amount of \$500.00, imposed uniformly against each Lot (referred to in these Restrictions as a "Capital Contribution assessment "). The Capital Contribution Assessment is a one-time charge, payable immediately after each Lot is sold, transferred or conveyed by the Declarant, to be paid at closing by the purchaser of each such Lot. The Capital Contribution Assessment is intended to serve as mechanism to provide the Association with an initial operating fund to assist the Association in meeting its obligations after development of the Properties and is not intended to offset or pay any of the initial expenses of the development of the Subdivision or reimburse the Declarant. Once a Lot has been sold, transferred or conveyed by the Declarant or by a Builder and the Capital Contribution Assessment has been paid by the purchaser, there shall be no subsequent obligation for any Owner to pay such assessment on that Lot, even if a Lot is re-acquired by the Declarant and later resold, it being Declarant's intention that each Lot, shall be subject to a single, one-time Capital Contribution Assessment.

6.10 Effect of Non-Payment of Assessments. If any assessment or other sum due the Association hereunder is not paid on the date when due, then such assessment or amount shall become delinquent and shall, together with such interest thereon and cost of collection thereof provided herein, thereupon becoming a continuing lien on the property which shall bind such property in the hands of the then-Owner, his heirs, devisees, personal representatives and assigns. If the assessment is not paid within fifteen days after the delinquency date, the assessment shall bear interest from the date of delinquency at the rate of eighteen percent per annum, or the highest allowed by law, whichever is less, and the Association may bring an action at law against the Owner to pay the same or to foreclose the Association's lien against the property, and there shall be added to the amount of such assessment all reasonable expenses of collection including the costs of preparing and filing the complaint, reasonable attorney's fees and costs of suit. Each Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Association, or its agents, the right and power to bring all actions against such Owner personally for the collection of such charges as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including but not limited to a power of sale. No Owner shall be freed of liability for any assessments provided for herein by virtue of non-use of Common Areas, or non-existence of Common Area. In addition to the foregoing charges for delinquent accounts,

each Owner shall be obligated to pay to the Association all costs of collection incurred by the Association and such reasonable attorney's fees, legal expenses, late charges and collection charges as the Board of Directors may establish or agree to, all of which costs and charges shall also be subject to the liens of the Association.

6.11 **Subordination of the Lien to Mortgages.** The lien of the assessments provided for herein shall be subordinate to the lien of any mortgage or mortgages now or hereinafter placed upon the Lots subject to assessment, provided, however, that such subordination shall apply only to the assessments which have become due and payable prior to the sale or transfer of such Lot pursuant to a decree of foreclosure, or any other proceeding in lieu of foreclosure. Such sale or transfer shall not relieve such Lot from liability for any assessments thereafter becoming due, nor from the lien of any such subsequent assessment. Any other sale or transfer of a Lot shall not affect the Association's lien for assessments.

6.12 **Exempt Property.** Lots owned by Declarant and all Common Areas are exempt from all assessments.

7. **Trailers, campers, and vehicles.** Travel trailers, recreational vehicle, camper, tent and/or temporary dwelling may be placed, constructed or maintained on any Lot, only if stored or kept in an enclosed structure or screened by vegetation that conceals them from view from the street. No travel trailer or any structure of temporary character be used as a residence thereon unless it is during the construction of the residence and the Architectural Control Committee or Developer has consented to it in writing. All vehicles shall be parked in a neat and orderly fashion. Any delivery truck, or truck larger than a one-ton pick-up truck, shall be parked out of view from all other Lots except when actively being used, loaded or unloaded. The storage of junked, abandoned or wrecked items such as motor vehicles, boats, or other equipment or materials shall not be permitted on any Lot. No eighteen-wheel trucks or other large commercial type vehicles will be allowed to park along the roads in the subdivision.

8. **Size and Type of Building.** Not more than one single family residence shall be placed or constructed on any Lot herein contracted or conveyed, and no single-family residences shall be constructed thereon which contains less than 1,200 square feet of living area, except as otherwise provided herein. Newly manufactured homes, trailer houses, mobile homes and other towable objects similar in nature of not less than 1,200 square feet of air conditioned and heated space are permitted (no such home or object of a used nature shall be permitted). These houses must have their tongues and axles removed, and be permanently attached to permanent foundations. All manufactured homes and similar objects must be skirted with a 100% masonry skirting. Houses in this category must also have a front porch that has been approved by the Architectural Control Committee. Single wide homes are specifically excluded. Any manufactured home moved onto the property must be set-up and finished in compliance with these Restrictions within 90 days of delivery. Park Model will be permitted with the following guidelines. All Park Models must conform to the Recreation Vehicle Industry Association compliance guidelines and be marked and titled as such. There shall be allowed no more than one guest house per Lot, which shall contain not less than 700 square feet in living area, and construction on it may not commence prior to completion of the construction of the main dwelling. Non-conforming structures including

but not limited to converted storage sheds, shipping containers /container homes are not permitted under any circumstance. The exterior of all buildings must be completed within one year of arrival of building materials and commencement of structure.

The minimum depth of the building setback lines from the roads fronting the Lots in Reservation Ranch shall not be less than one hundred feet, and not less than fifty feet from side tract lines, and not less fifty feet from the rear lines. There can be no variations from this paragraph unless said Reservation Ranch Architectural Control Committee, prior to any such construction, grants permission in writing.

10. Easements. Perpetual easements for the installation and maintenance of utilities and drainage facilities have been or may be granted by Developer on any Lot in the Subdivision. These easements are for the installation and maintenance of poles, wires, and fixtures for electric lines and telephone lines; Developer and/or any utility company providing service to any Lot in the Subdivision may trim or remove any tree which at any time may interfere or threaten to interfere with the maintenance of such lines. Said easements are to also extend along any owner's side and rear property lines.

11. Animals. No feedlots shall be allowed, nor may any Lot be used for the keeping or breeding of any animal for commercial purposes. Household pets shall be maintained in a sanitary and quiet manner. Dogs must be confined or restrained when not on their owner's Lot. No swine is allowed except for those being raised or kept as part of a Future Farmers of America or 4-H project. No poultry or fowl is allowed other than those being raised or kept for personal household use or consumption. Horses, cattle, sheep and goats may be kept and maintained on Lots, but the number of animals is limited to one animal for each acre of land within the Lot. A variance may be requested for increased numbers of livestock. The variance must be in writing and submitted to the Architectural Control Committee. The variance may be granted by the Architectural Control Committee after review and acceptance of a property plan indicating how additional animals would enhance the property and neighboring properties.

12. Sanitation and Sewage. No outside toilets will be permitted. No installations of any kind of disposal of sewage shall be allowed which would result in raw, treated or untreated sewage or septic tank drainage on or into the surface, alleys, ditches, or water bodies. No septic tank or sewage disposal may be installed without prior approval of the proper governmental authorities. All state, county, and public health and sanitation statutes, rules, ordinance, and regulation must be complied with at all times.

13. Trash and Garbage. No trash, garbage, construction debris, or other refuse may not be dumped or disposed or allowed to remain upon any Lot, vacant or otherwise. No building material of any kind or character shall be placed upon any Lot until the owner is ready and able to commence construction, and then such material shall be placed within the property lines of the Lot. No noxious or undesirable thing or use whatsoever shall be permitted on any Lot. The Architectural Control Committee shall determine noxiousness or undesirability and decision shall be conclusive on all parties.

13. Signs. No sign or advertising device may be displayed on any Lot, except in the event of sales. There may be only one for sale sign of no more than five square feet. The Developer is allowed larger signage. Political signs are allowed within ninety days before and ten days after any election or vote, but must comply with the following restrictions:

Political signs that are displayed must be:

All Lots must be kept in a neat and clean condition. The Architectural Control Committee shall determine noxiousness or undesirability and any decision shall be conclusive on all parties.

16. Voting rights. There shall be two categories of voting rights of owners of Lots. Class A will consist of all owners of all Lots other than Developer. There shall be one vote per Lot for all Class A Lots, regardless of the number of record owners of any Lot. Co-owners shall each be entitled to vote on behalf of their Lot(s), provided, however, that in the event of a disagreement between them, they must resolve their disagreement amongst themselves in order to cast their vote. Class B Lots will be all Lots owned by Developer. There shall be ten votes for each Class B Lot. Sale of any Lot by Developer automatically converts that Lot to a Class A Lot.

17. Severability of all Terms and Provisions. If any term or provision of these restrictions is held invalid, then the remaining terms shall continue to be valid and enforceable. Any failure of the Architectural Control Committee to seek enforcement of any term of the restrictions shall not constitute a waiver of any rights to do so in the future.

18. Enforcement. Developer, Architectural Control Committee and every owner of a Lot in this subdivision shall have the right to prevent the violation of any restriction by injunction or other

lawful procedure and to recover any damages resulting from such a violation. Damages for the purpose of this paragraph shall include court cost and necessary attorney fees. Also, the Architectural Control Committee shall have the right to impose fines of up to \$100.00 per day for violations. Payment of all expenses of the Architectural Control Committee, and all fines connected with a violation, plus any attorney's fees incurred by the Architectural Control Committee associated therewith, shall be and is hereby secured by a lien on the Lot of the violator, and to that end a lien in favor of the Architectural Control Committee is hereby established on all Lots on the subdivision.

19. Abatement and Removal Violation. Violation of any restriction or condition or breach of any covenant herein contained gives the Architectural Control Committee, or its agents, in addition to other remedies, the right to enter upon the land, and to abate and remove the violation at the expense of the Purchaser or Owner, and said agents shall not thereby be deemed guilty of any manner of trespass for such entry, abatement, and removal. Any costs or expense incurred in the process of abatement and removal of said violation will be the responsibility of the property owner and payment of same, plus any attorney's fees incurred by the Architectural Control Committee associated therewith, shall be and is hereby secured by a lien on the Lot of the violator, and to that end a lien in favor of the Architectural Control Committee is hereby established on all Lots on the subdivision.

Thus adopted by Developer on this, the 16th day of November, 2021.

**RESERVATION RANCH PROPERTY OWNERS ASSOCIATION
ENFORCEMENT POLICY**

STATE OF TEXAS COUNTY OF GILLESPIE	§ § §	KNOW ALL MEN BY THESE PRESENTS:
---	-------------	--

Pursuant to Section 209.006, Texas Property Code, and Section 209.007, Texas Property Code, the Board of Directors of Reservation Ranch Property Owners Association hereby adopts the following Enforcement Policy to govern procedures for enforcement of the governing documents of the Association:

I. ENFORCEMENT ACTION DEFINED

In this Policy, "enforcement action" is defined as suspension of an Owner's right to use a Common Area, filing a suit against an Owner other than a suit to collect a regular or special assessment or foreclose the Association's lien, charging an Owner for property damage, levying a fine for a violation of the restrictions or Bylaws or rules of the Association, or reporting any delinquency of the Owner to a credit reporting service.

II. NOTICE OF ENFORCEMENT ACTION

Before the Association may take enforcement action against any Owner, it must first give written notice to the Owner by certified mail. The notice must:

- (1) describe the violation or property damage that is the basis for the suspension action, charge, or fine and state any amount due the Association from the Owner;
- (2) unless the Owner has been previously given notice and the opportunity to cure the violation without penalty in the preceding six months, inform the Owner that the Owner:
 - (A) is entitled to a reasonable period to cure the violation and avoid the fine or suspension if the violation is of a curable nature and does not pose a threat to public health or safety;
 - (B) may request a hearing on or before the thirtieth day after the date the notice was mailed to the Owner; and,
 - (C) may have special rights or relief related to the enforcement action under federal law, including the Servicemembers Civil Relief Act (50 U.S.C. App. Section 501, *et seq.*), if the Owner is serving on active military duty;
- (3) specify the date by which the Owner must cure the violation if the violation is of a curable nature and does not pose a threat to public health or safety; and
- (4) be sent by verified mail to the Owner at the Owner's last known address as shown on the Association records.

The notice and hearing provisions of this Policy do not apply if the Association files a suit seeking a temporary restraining order or temporary injunctive relief or files a suit that includes foreclosure as a cause of action, nor to a temporary suspension of a person's right to use common areas if the temporary suspension is the result of a violation that occurred in a Common Area and involved a significant and immediate risk of harm to others in the subdivision. The temporary suspension is effective until the Board makes a final determination.

III. HEARING REQUEST

If an Owner makes a timely written request for a hearing before the Board, the hearing shall be held within thirty days of the date the Board receives the Owner's request for a hearing and the Board shall notify the Owner of the date, time, and place of the hearing not later than the tenth day before the date of the hearing. The Board or the Owner may request a postponement, and, if requested, a postponement shall be granted for a period of not more than ten days. Additional postponements may be granted by agreement of the Owner and the Board. The Owner or the Association may make an audio recording of the meeting.

IV. HEARING PACKET

Not later than ten days before the Association holds a hearing under this Policy, the Association shall provide to the Owner a packet containing all documents, photographs, and communications relating to the matter the Association intends to introduce at the hearing. If the Association does not provide a packet by the ten-day deadline, the Owner is entitled to an automatic fifteen-day postponement of the hearing.

V. HEARING PRESENTATIONS

During the hearing, a member of the Board or the Association's designated representative shall first present the Association's case against the Owner. The Owner or the Owner's designated representative is entitled to present the Owner's information and issues relevant to the appeal or dispute.

The foregoing was adopted by majority vote of the Board of Directors of the Association, as certified by the signature below of the President of the Association, to be effective upon this Policy being recorded in the Official Public Records of Gillespie County, Texas.

Executed this 13th day of December, 2021.

ACC DENIAL AND APPEAL HEARING POLICY**

STATE OF TEXAS §
§ KNOW ALL MEN BY THESE PRESENTS:
COUNTY OF GILLESPIE §

All terms used herein that are defined in Chapter 209 of the Texas Property Code shall have the meaning as defined in the statute.

Section 209.00505 of the Texas Property Code was added to provide a new Architectural Review Authority to review owner applications for improvements to their property in property owners' associations. These new changes also outline procedures for notifying an owner of a denial of a submitted architectural application and permitting an appeal of a decision by the architectural review authority denying or requesting modifications of an application.

The Association hereby adopts and imposes on the Association the following policies, rules, and regulations:

1. A written notice of the denial must be provided to the owner by certified mail, hand delivery, or electronic delivery.
 - a. The denial notice will describe the basis for the denial in reasonable detail and describe changes, if any, to the application or improvements required as a condition to approval.
 - b. The denial will inform the owner that the owner may request a hearing with the Board on or before the thirtieth day after the date the disapproval notice was mailed or delivered to the owner.
2. An owner requesting a hearing appealing a denial will request a hearing in writing by mail, electronic mail or hand delivery. Such request must be delivered to the Association's address or electronic mail address provided on the most recently filed management certificate.
3. The Board will hold a hearing no later than the thirtieth calendar day after the date the Board receives the owner's request for a hearing and shall notify the owner of the date, time, and place of the hearing not later than the tenth calendar day before the date of the hearing. Only one hearing is required.
4. During a hearing, the Board or the designated representative of the Association and the owner or the owner's designated representative will each be provided the opportunity to discuss, verify facts, and resolve the denial and/or the requested changes of the owner's application.
5. The Board or the owner may request a postponement of the hearing. Additional postponements may be granted by agreement of the parties. If requested, a postponement shall be granted for a period of not more than ten days.

6. All hearings will be held in private. The Board will consider and vote upon the outcome of the hearing in an open meeting for which notice was provided to the members. The Association or the owner may make an audio recording of the meeting.
7. The Association or managing agent will provide the owner with a written notice with their decision regarding the matter of the hearing.

The Board as appropriate, may affirm, modify, or reverse, in whole or in part, any decision of the architectural review authority.

CERTIFICATION

"I, the undersigned, being a Director of the Reservation Ranch Property Owners Association hereby certify that the foregoing was adopted by at least a majority of the Reservation Ranch Property Owners Association Board of Directors, at an open and properly noticed meeting of the Board, at which a quorum of the Board was present."

**RESOLUTION OF THE BOARD OF DIRECTORS
OF THE RESERVATION RANCH PROPERTY OWNERS ASSOCIATION
REGARDING PAYMENT PLAN GUIDELINES**

STATE OF TEXAS

§
§
§

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF GILLESPIE

WHEREAS, the Bylaws of Reservation Ranch Property Owners Association (hereinafter the "Association") grant to the Board of Directors the powers and duties necessary for the administration of the affairs of the Association; and,

WHEREAS, there is a need for, and the Board of Directors desires to establish, a uniform and systematic procedure to collect assessments and other charges of the Association; and,

WHEREAS, pursuant to Section 209.0062, Texas Property Code, property owners' associations are required to adopt reasonable guidelines to establish an alternative payment schedule by which an Owner may make partial payments for delinquent regular or special assessments or other amounts owed to the Association; and,

WHEREAS, at a properly-called regular meeting of the Board of Directors at which a quorum was present came to be heard the matter of adoption of a collection and payment plan resolution;

NOW, THEREFORE, BE IT, AND IT IS HEREBY RESOLVED THAT the Association does hereby adopt the following policy and procedures for the collection of assessments and other charges of the Association, and for payment plans in connection therewith, to-wit:

A. Collections Procedure

1. **Payment Schedule.** The annual assessments levied by the Association are due and payable annually, on January 1st of each year. Special assessments are due on the date established by the Board of Directors. Fees not received by ten days after the date a statement covering such assessment has been mailed or otherwise delivered to the lot Owner will be considered late.
2. **Returned Check Charge.** A charge of \$25.00 will be assessed to reimburse the Association for its costs incurred due to checks returned unpaid.
3. **Collections Expense.** Costs of collection shall be added to delinquent accounts.

4. **Partial Payment.** Partial payments will generally not be accepted except for those made pursuant to approved written payment plans (the procedures for which are established more fully below). The acceptance of a partial payment on an Owner's account does not constitute a waiver of the Association's right to collect the full outstanding balance due.

5. **Order of Crediting Payments.** All payments received shall be applied in the following categorical order of priority to the oldest amount due:
 - a. Assessments;
 - b. Attorney's fees incurred for collection of assessments;
 - c. Other attorney's fees;
 - d. Any other amounts owed to the Association.

6. **Process for Delinquency Notification.** For balances that are sixty days past due, the following notification process may be taken by the Association to collect delinquent accounts:
 - **Statements.** Statements shall be mailed to Owners at their last known address at least fourteen days prior to the due date of any assessment.

 - **First Delinquency Notice.** The first notice of past due charges will include details of all amounts past due and a request for immediate payment to be sent by First Class Mail to an Owner whose balance is thirty days past due.

 - **Final Notice.** A forty-five day demand for payment will include details of all amounts past due and request for payment to be sent by First Class Mail and Certified Mail, Return Receipt Requested to an Owner whose balance is sixty days past due. The notice shall specify each delinquent amount and the total amount of payment required to make the account current, and describe the options the Owner has to avoid having the account turned over to an attorney, including information regarding the availability of a payment plan (as set forth more fully below). This notice will advise the Owner of the Association's intent to turn the matter over to an attorney for collection enforcement if the balance is not paid within forty-five days, and that this action will also result in attorney fees being charged to the Owner as set by a schedule agreed to by the Board, a copy of which is available on request.

7. **Referral of Account to Association Attorney.** If an account remains delinquent ninety days after it became due then the account shall be referred to the Association's attorney for collection. The attorney is authorized to take whatever action is necessary believed to be in the best interests of the Association, including, but not limited to, filing a lien affidavit; filing a suit against the delinquent Owner for a money judgment; filing an application for permission to foreclose the lien for assessments; conducting a foreclosure auction; and, filing necessary claims, objections and motions in the bankruptcy court and monitoring the bankruptcy case in order to protect the Association's interest.
8. **Owner Address.** It shall be the responsibility of each Owner to keep the Association advised of their current mailing address if different than their address in the subdivision. All notices will be mailed to each Owner at their property address in the subdivision or to the last address on the books and records of the Association as shall be provided by the Owner to the Association.
9. **Waiver/Modification of Policy.** The Board in its discretion may grant a waiver of any provision or otherwise modify any of the procedures contained herein upon petition of an Owner showing a personal hardship.
10. **Required Action.** Nothing contained in this Policy shall require the Association to take any of the specific actions contained herein. The Board of Directors of the Association shall have the right, but not the obligation, to evaluate each delinquency on a case-by-case basis as in its best judgment deems reasonable.

B. Payment Plan Guidelines

1. **Written Plans Required.** All payment plans must be in writing, signed by one or more Owners of the property associated with the delinquent balance, approved by the signature of the President of the Association or the Association Manager, and provide that the Owner shall pay future assessments when due, in addition to any arrearage payment due under a payment plan.
2. **Eligibility.** To be qualified for a payment plan an Owner must not have failed to honor the terms of a previous payment plan in the two years prior to a request for a new payment plan, and the Owner must have requested a payment plan before their account is referred to the Association's attorney. Owners are not eligible for more than one payment plan in any twelve-month period.

3. **No Penalties Applied.** No monetary penalties shall accrue on balances while a payment plan is in effect, but reasonable costs associated with administering the plan and interest shall continue to accrue.
4. **Automatically-approved plans.** Any qualified Owner shall be allowed, without deliberation by the Board, to pay their balance in five equal consecutive monthly installments.
5. **Non-Conforming Proposals.** Any Owner may submit a request for a payment plan that does not meet the foregoing guidelines, along with whatever information they wish the Board to consider, and the Board may approve or disapprove such payment plan, in its sole discretion.
6. **Ineligible Owners.** If an Owner who is not qualified to receive a payment plan asks for a payment plan, the Board shall be entitled to approve or disapprove a payment plan, in its sole discretion.

Executed this 13th day of December, 2021.
